

2009 Property Tax Rates in Montgomery County Emergency Service District #10

This notice concerns 2009 property tax rates for Montgomery County Emergency Service District #10. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:	
Last year's operating taxes	\$2,048,226
Last year's debt taxes	\$2,131,828
Last year's total taxes	\$4,180,054
Last year's tax base	\$4,180,054,000
Last year's total tax rate	0.1000/\$100
This year's effective tax rate:	
Last year's adjusted taxes (after subtracting taxes on lost property)	\$4,169,446
÷ This year's adjusted tax base (after subtracting value of new property)	\$4,360,781,241
= This year's effective tax rate	0.0956/\$100
<i>(Maximum rate unless unit publishes notices and holds hearings)</i>	
This year's rollback tax rate:	
Last year's adjusted operating taxes (after subtracting taxes on lost property and adjusting for any transferred function, tax increment financing, state criminal justice mandate, and/or enhanced indigent health care expenditures)	\$2,046,028
÷ This year's adjusted tax base	\$4,360,781,241
= This year's effective operating rate	0.0469/\$100
x 1.08 = this year's maximum operating rate	0.0506/\$100
+ This year's debt rate	0.0000/\$100
= This year's total rollback rate	0.0506/\$100

Statement of Increase/Decrease
If Montgomery County Emergency Service District #10 adopts a 2009 tax rate equal to the effective tax rate of \$0.0956 per \$100 of value, taxes would increase compared to 2008 taxes by \$220,916.

Schedule A - Unencumbered Fund Balances
The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
---------------------------	---------

Schedule B - 2009 Debt Service
The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid from Property Taxes	Interest to be Paid from Property Taxes	Other Amounts to be Paid	Total Payment
Enter Text Here	\$0	\$0	\$0	\$0
Total Required for 2009 Debt Service				\$0
- Amount (if any) paid from funds listed in Schedule A				\$0
- Amount (if any) paid from other resources				\$0
- Excess collections last year				\$0
= Total to be paid from taxes in 2009				\$0
± Amount added in anticipation that the unit will collect only 100.00% of its taxes in 2009				\$0
= Total Debt Levy				\$0
