Dear Fire Safety Friends:

Magnolia Fire Department is deeply committed to a fire safety program called "FIRE PUP". This program is designed to develop fire safety education materials that are targeted to reach children from the age of three up through the fifth grade. We distribute the "Fire Pup" materials in local our schools, during public safety presentations, and at community events.

The "Fire Pup" materials have been designed exclusively by the NATIONAL FIRE SAFETY COUNCIL, which is a 501 (C) (3) Tax-exempt, and non-profit organization, Federal Tax ID# 38-2292422. The National Fire Safety Council charter stipulates that all cost associated with designing, printing, and distributing the materials be paid from monies obtained through charitable contributions. The materials offered include age specific 24 page activity manuals, informational pamphlets on topics such as smoke detectors, home fire escapes, dialing 911 and many other items that discuss fire safety and burn prevention.

We strongly believe by making children aware of the dangers of fire, that we can prevent tragedies of fire loss and death. Can you help us educate our children? We ask that you consider sponsoring "Fire Pup" for the children in our community. Some of the suggested sponsorship levels are:

400 Children - \$945	300 Children - \$710	200 Children - \$475
150 Children - \$355	100 Children - \$235	75 Children - \$175
60 Children - \$142	40 Children - \$95	25 Children - \$59

Any amount you desire to contribute will be appreciated and remember that all contributions are tax deductible. Additionally, if you choose to support the program you or your business will be acknowledged on the prestige page which is printed on all fire safety activity manuals that are used in our community. If you would like to contribute to this program please make checks payable to **National Fire Safety Council** and mail to:

Magnolia Fire Department
P O Box 1210
Magnolia, Texas 77353-1210

We would like to thank you for your support of this program. Your generosity strengthens our ability to create a safer community.

Sincerely,

Gary Vincent
Fire Chief
