No. 2025-04

Date: 5/23/2025

To: All

From: Division Chief of Logistics

Subject: WEX Fuel Cards

All current WEX Fuel cards have an expiration date of June 2025. WEX automatically ships replacement cards a month prior to expiration. We have confirmed that new cards have been issued and sent as of May 2, 2025. We should be receiving those cards any day. However, in the event they are not received and placed on apparatus prior to June 1st, ALL cards will still be active. Our WEX fuel cards will not expire until midnight on the last day of the month (June 30th). Please report any issues with WEX cards via PStrax Alerts.
