

Magnolia Fire Department

MEMORANDUM

No. 2025-09

Date: 8/18/2025

To: Emergency Operations Personnel

From: Assistant Chief Operations

Subject: Performance Standards v.2025 1

District Training Officers (DTO's) have created updated performance standards version 2025.1 for department use. These standards shall be viewed as department (minimum) standards. All other versions will be deleted from systems. Under the direction of DTO's and company officers these standards will be completed annually based on the training schedule beginning in September. Electronic versions from department iPad or app will be utilized for tracking and documentation purposes. Selected portions based on job function will be utilized when members return to emergency operations after an extended absence, and new hire processes. DTOs will conduct a review of all standards and personnel annually, modifying as needed. Questions or Suggestions should be emailed to the DTO group email at DTOCommittee@magnoliafire.org
