

2026 NOTICE OF ESTIMATED TAXES

Visit **Texas.gov/PropertyTaxes** to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information regarding the amount of taxes that each entity that taxes your property will impose if the entity adopts its proposed tax rate. Your local property tax database will be updated regularly during August and September as local elected officials propose and adopt the property tax rates that will determine how much you pay in property taxes.

To register for notifications and updates, go to <https://montgomery.trueprodigy-taxtransparency.com/> and click on “Register for Notification”. This link will take you to the Montgomery CAD portal, where you can either create an account or login to your portal account. Once inside the portal, you can add properties to your list from the “My Properties” tab and identify them to “Receive Updates.”

If you would like more information from each taxing unit, you may request their contact information from your local Tax Assessor-Collector:
